## Grant School will soon have The Johnny Grant Kindergarten Playground

*by Evelyn and Daisy*

Did you know that there is going to be a new kindergarten playground? Mr. Johnny Grant, the mayor of Hollywood, has helped us by giving us a large donation.

The playground will be located behind room 9. It won't be a tiny playground - it will be big. It will have assigned areas. Mr. Bilovsky thinks everything will come out nice and that the kindergarteners will like it.

Johnny Grant is also helping us raise the money needed to buy and install the equipment. Look below to see a picture of the prebuilt equipment they are going to bring.

What new equipment will look like

Grant needs this playground because this is our first year of having kindergarteners go to school all day. The other yard behind rooms K1, K2, and K3 can't fit all of these students at the same time.

# Pencils for Sale!

*by Hayk*

Good news, we are selling pencils at school. Erasers too! The machines arrived on August 15, 2005 and we are excited to have them. You can find these pencil machines right outside the Main Building near room K-1. Here is what you can buy:

- A colorful pencil for 25 cents
- A cool mechanical pencil for 50 cents
- A fun eraser for 25 cents

The machines were Mr. Bilovsky's idea and he has some important reminders for you:

- \* Use only quarters
- \* When buying an eraser, turn the knob completely around. After getting your new eraser out of the capsule, place the empty capsule into the white tube.

# All About Mr. Grass

*by Jacqueline and Susanna*

There's a new coordinator in our school named Mr. Grass. Mr. Grass is in charge of ELD and Title One. He also is in charge of how much money we spend on the right things. Mr. Grass came from Laurel Elementary in West Hollywood. He was a fifth grade teacher there.

He feels comfortable here at Grant and he likes the kids and teachers here. He especially likes our teachers for their high expectations of what our students can learn and accomplish here at school.

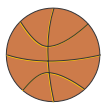

His old school, Laurel Elementary, did not have uniforms. He likes our uniforms here at Grant. He moved to this school because he thinks

everyone should have new challenges in their lives.

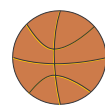

He grew up in Tucson, Arizona. Today, Mr. Grass has a family and also has a dog named Cooper. That's why he doesn't stay at school too late. If Mr. Grass could choose a different job he would like be to a helicopter pilot. We welcome Mr. Grass to Grant and hope everyone will say hello and introduce yourself to him.

**Editor's Note:** This newspaper was written by our 4th grade G.A.T.E. students. G.A.T.E. Coordinator . . . Ms. Falls Editor and Publisher . . . Mr. Ehrlich
