Pasadena, CA 91101
Saturday, May 31, 2003
7:30 AM – 1:30 PM

Dear:

Thank you for your registration for the 8th Annual InfoTech 2003 Conference. We are fast approaching the conference date. We hope you will review the program on the website. We have many great workshops for you to attend. The first 800 attendees will receive a conference bag. Parking fee is \$6.00 therefore we suggest carpooling to the conference. The Pasadena Hilton has enough parking spaces for all of us to park. The parking garage spaces fit 3 cars deep. The early arriving attendees must pull all the way up and the people who park behind another car must leave keys with the attendant.

Inform your colleagues about this exciting conference so they can also learn new ways to help their students. Find out how teachers are using technology to teach their students. With over almost 50 exhibits and over 40 workshops your technology appetite is sure to be satisfied. Come early and attend the general session for important information that will help you throughout the day. There will be prize giveaways at the end of the conference in the Exhibit Hall (International Ballroom). Tell your colleagues to register on line at www.lausd.k12.ca.us. The program can be viewed on the website. There will be 10 stations in the registration area to type in your information and type a name card. Instructions will be posted. Think about the workshops you want to attend.
