"Worksheet: End of the World Poetry"

Have you ever considered what is at the edge of our world or our human understanding? Does your culture or religion believe one way? Do you believe in a spiritual realm, the natural world, aliens?

Brainstorm

Group your ideas into four categories:

1	2
3	4

Rewrite your ideas from each category below.

What will you find at the edge of the world?

What will there be at the rim of the earth?

Read your poem aloud, including the headings. Adapt the lead questions so they make sense. Edit for vivid vocabulary, punctuation, and grammar.

Finally, rewrite your final draft.

Based upon Eve Mirriam's *Landscape*.
