

## “ Homework Assignment: Examples of Changes in Demand and Changes in Supply”

1. Look in a recent newspaper or weekly magazine and find four headlines that reflect a change in demand or a change in supply.
2. Cut out each headline and paste each headline on a separate sheet of paper.
3. For each headline:
  - a. Post the source and date of the headline
  - b. Explain what the headline reflects: an increase in demand, a decrease in demand, an increase in supply, or a decrease in supply and why.
  - c. Draw a graph for each headline that illustrates the shift that occurs as a result of the headline.
4. Example: “People Avoiding Buying Tech Stocks”. This headline reflects a decrease in demand. Last year tech stocks were very popular, but this year people prefer buying stocks that are not in the technology sector and the demand for tech stocks has decreased.
