

## **“Rubric: Student Worksheets and Homework”**

### **High Level Performance (“A” work)**

- Concepts are clearly stated and clearly explained.
- All questions are answered completely with responses that exhibit mastery of the concept.
- Graphs are clearly drawn and labeled and are complete.

### **Mid Level Performance (“B” work)**

- Concepts are clearly stated and almost clearly explained.
- All questions are answered completely with logical responses that exhibit understanding of the concept.
- Graphs are clearly drawn and labeled and are almost complete.

### **Low Level Performance (“C” work)**

- Concepts are stated but not clearly explained.
- All questions are answered with responses that exhibit limited understanding of the concept.
- Graphs are drawn and labeled but have some omissions in labeling or errors in the drawing.

### **Lowest Level of Performance (“D” or “F” work)**

- Concepts are attempted to be stated, but lack explanation.
- Little or no attempt made to answer some questions and responses given exhibit very limited understanding of the concept.
- Graphs are drawn and labeled but have major omissions in labeling or major errors in drawing.
