

DIRECTOR OF FACILITIES LEGISLATION, GRANTS, AND FUNDING 1926
DEPUTY DIRECTOR OF FACILITIES LEGISLATION, GRANTS, AND FUNDING 1927

DEFINITION

Responsible for planning, organizing, directing, and reviewing all grants and funding programs and related legislative activities for new and existing facilities for the District. The Deputy Director assists in the management of the Department and acts for the Director as required.

TYPICAL DUTIES

- Directs and manages the funding and grants programs for facilities, including funding for school facilities master plans.
- Coordinates the development of District-sponsored facilities legislation and develops and presents information in support of bills to various State Senate and Assembly committees and other state agencies and bodies under the guidance of the Office of Legislative Affairs and Governmental Relations.
- Analyzes proposed and existing legislation pertaining to the District's ability to secure and use funding from bonds and other sources, coordinates review by appropriate District personnel and assists in formulating the District's position regarding the legislation, and provides testimony as needed to various State Senate and Assembly committees and other state agencies and bodies regarding the District's position under the guidance of the Office of Legislative Affairs and Governmental Relations.
- Prepares, reviews, and expedites funding and grant applications.
- Locates new sources for funding projects.
- Pursues State matching funds for all programs.
- Creates and reviews budgets and monitors program site expenditures for overspending or underspending.
- Monitors reimbursement activities and processing of funding payments.
- Reviews grant contracts and the preparation of required reports in order to ensure compliance with the funding terms and conditions.
- Develops forms for the collection of data regarding the funding terms and conditions of grants; supervises and conducts in-service training and presentations regarding completion of forms, terms, and conditions; and coordinates collection and compilation of data.
- Prepares and maintains a report of grants and funding programs status and calendar of important related dates.
- Evaluates the District's grants and funding policies and procedures and recommends changes to ensure that federal, State, and other sources requirements are met.
- Serves as liaison between grant and funding providers and Facilities management.
- Confers with other divisions and governmental agencies in regard to matters affecting grants and funding responsibilities.
- Directs, motivates, and evaluates managers and staff.
- Plans, directs, reviews, and may participate in training for staff.
- Performs related duties as assigned.

DISTINGUISHING CHARACTERISTICS AMONG RELATED CLASSES

The Director of Facilities Legislation, Grants, and Funding is the administrative head of Facilities-related budgets and grant applications for Federal and State funding and oversees activities relating to the development, interpretation, and advocacy of facilities-related legislation.

The Deputy Director of Facilities Legislation, Grants, and Funding assists the Director of Facilities Legislation, Grants, and Funding in overseeing the various activities of the Department and assists in activities relating to the development, interpretation, and advocacy of facilities-related legislation.
