

STUDENT AND FAMILY RESOURCES NAVIGATOR

DEFINITION

Provides referral and case management services within a Healthy Start Program, school-based health clinic, Wellness Center and Wellness Network, or similar student and family support programs.

TYPICAL DUTIES

- Provides outreach and enrollment services for low and no-cost health insurance programs such as Medi-Cal, and Covered California; and provides parents, students, and staff with resource information on and referrals to academic, medical, health education, mental health, and other support services.
- Conducts intake and follow-up meetings with identified clients such as foster youth, children from families with low-income, and families whose language may act as a barrier to accessing school and community resources and services.
- Develops, coordinates, and manages the overall case management plan of care for a client with student parent or guardian support.
- Refers students and/or family members to community services such as a medical, vision, or dental clinic, mental health, or other services designed to meet specific social/emotional, academic or health needs; and arranges for appointments and transportation for a student or student's family members to a service provider.
- Assists or leads the organization and implementation of local Healthy Start Program or other collaborative meetings such as school site Student Success Teams (SST), Student Support and Progress Team (SSPT), Coordination of Services Team (COST), or other program related partner meetings.
- Builds collaborative partnerships between District programs and social service programs available within the District perimeters.
- Creates and maintains lists of resources within a geographical area in the District.
- Attends meetings that include school administrators, providers from community-based partner organizations, health care providers, and other District staff to discuss and review the quality of services, trends, projections, and changes within the client populations for a health and student support service programs.
- Collects, maintains, and compiles program case management data such as service delivery and health insurance enrollment information.
- Participates in the development and implementation of uniform performance measures.
- Facilitates communication among school sites, community resources, collaborative members, and parents.
- Maintains confidential records and files in accordance with laws and grant requirements.
- Performs related duties as assigned.

DISTINGUISHING CHARACTERISTICS AMONG RELATED CLASSES

A Student and Family Resource Navigator performs case management services within a local School-based Health Clinic, Wellness Center, Wellness Network or student support service program; conducts locally driven outreach and enrollment efforts for Medi-Cal; and may coordinate the overall support program at some school sites.

A Student and Family Resources Coordinator manages the day-to-day operation of services within a Healthy Start Program, School-based Health Clinic, Wellness Center, Wellness Network, or similar student and family support service program and supervises Student and Family Resources Navigator.

A Health Care Advocate assists District staff and parents in solving problems among schools, parents, and other health care and public agencies regarding enrollment, disenrollment, and continuity barriers, and interprets State health care guidelines to parents about qualifications for and enrollment in Medi-Cal, Healthy Families, and other health care benefits.

SUPERVISION

General supervision is received from a Student and Family Resources Coordinator or other certificated administrator. Work direction may be exercised over employees in support classes.
