Monitors restrooms throughout the day for vandalism or needed repairs, reports inappropriate behavior, and notifies the Plant Manager site administrator or security personnel if vandalism has occurred and/or if repairs are needed.

Assists in cleaning up after vandalism.

Performs related duties as assigned.

DISTINGUISHING CHARACTERISTICS AMONG RELATED CLASSES

A School Facilities Attendant conducts light cleaning, stocking, and monitoring of school restrooms and cleans water fountains throughout the day. Employees in the classes designated as (Female) or (Male) are required to enter restrooms or locker rooms that are restricted to persons of the designated sex. Employees in restricted classes perform duties similar to those of the unrestricted classes and are employed in accordance with Education Code Section 45105.

A Building and Grounds Worker maintains buildings and grounds in a clean, sanitary, and safe condition.

A Plant Manager is responsible to the site administrator for the cleaning, operation, and security of assigned plant(s).

SUPERVISION

Immediate supervision is received from a Plant Manager or Assistant Plant Manager. No supervision is exercised.
