

POOL SUPERVISOR	5331
SENIOR POOL SUPERVISOR	5330

DEFINITION

Organizes, supervises, and participates in the instructional and recreational swimming program and operation of a District pool. Pool Supervisors are assigned either to portable pools or to permanent pools with an attendance of up to 5,000 participants in the summer program. Senior Pool Supervisors are assigned to pools with more than 5,000 participants or to a permanent pool where special community and disciplinary problems exist.

TYPICAL DUTIES

Develops and directs the instructional recreational swimming program at a District pool.
Supervises and schedules recreation personnel assigned to the pool.
Recruits and selects Beyond the Bell Branch swimming personnel.
Schedules swimming classes for efficient use of personnel and facilities.
Evaluates the swimming ability of participants and assigns participants an appropriate training class.
Completes progress reports on program participants and issues appropriate Red Cross certificates.
Develops and disseminates publicity on recreational swimming programs to the local community by utilizing various media.
Maintains records and prepares attendance reports, payroll time sheets, and financial reports.
Establishes procedures within guidelines to assure safe and sanitary operating conditions including scheduling lifeguard coverage, maintaining pool chemical balance, and assuring the security of pools and pool equipment during nonoperational hours.
Develops procedures for the sale of tickets, handling of cash, and cash receipts reports at a permanent pool site.
Establishes procedures for handling emergencies and supervises the maintenance of rescue and safety equipment.
Conducts in-service training that includes explaining instructional techniques and emergency procedures.
Speaks to parents and other community members, individually and in groups, regarding the pool program and student progress.
Performs related duties as assigned.

DISTINGUISHING CHARACTERISTICS AMONG RELATED CLASSES

A Pool Supervisor is responsible for the recreational swimming activities and operation of a District pool with a summer program attendance of up to 5,000 participants.

A Senior Pool Supervisor is responsible for the swimming program and operation of a District pool with summer program participation of more than 5,000 or of a permanent pool where special problems exist.

A Senior Swimming Instructor (Recreation) trains new pool personnel, acts as a supervisor in the absence of the Pool Supervisor or Senior Pool Supervisor, and may be responsible for a therapy pool.
