ANNUAL PROGRAM SURVEY– WED, OCT 6, 2010

The information for the Annual Program Survey will be captured electronically at 5:00 p.m. on Wednesday, October 6, 2010 for all calendars and tracks.

The Annual School Program Survey Administrative Manual, Fall 2010, will be available on the School Information Branch Website (<http://schoolinfo.lausd.net>) in September. It will contain complete instructions for completing the survey.

In preparation for the Survey follow the instructions below regarding enrollment.

1. District ID:

When enrolling a new student, please check screen 0 first, before enrolling them to see if the student already has a District ID. When you enroll the student using the existing District ID on Screen 16, Option 11, all student information including testing, IEP, and Master Plan is brought to the new school.

2. New Kindergartners:

The E-Code must be “E7” and the E-Date must show current year. Enter an “E7” code for all new kindergartners, unless they attended kindergarten at a previous school or are repeating the grade. Run Classification Check Rosters, Screen 23, Option 8, for your kindergarten classes to verify E-Codes and E-Dates.

3. Enroll All Students Promptly:

Please enroll new students immediately. It is essential that all new students be entered promptly in SIS, so they can be assigned a District ID and SSID # (Statewide Student Identifier). For tracks that have not yet started, enter a future E-Date. The student will NOT get a District ID without an E-Date. After the student receives a District ID, it will take several weeks to obtain an SSID number from the state.

4. Concurrent Enrollment:

When a student is enrolled at two different schools on Survey Day, October 6, the schools must work together to resolve the concurrent enrollment issue. When a new school notifies you that a child is now attending their school, you must **IMMEDIATELY** L-out (retire) the student, entering the last day of **IN-SEAT** attendance at that school as the L-Date (Not the date the school was notified). Even if you do not L-out the student who is no longer attending, the student will be counted for CBEDS at the second school, not your school. Failure to adhere to this will cause the schools statistical reports and ISIS/LAUSDMAX reports to be inaccurate.

ANNUAL SCHOOL PROGRAM SURVEY-CONT...

Form 7- Student Ethnicity Report

Every classroom teacher should have a Form 7. Each teacher should review all information on the class roster and the teacher information on the second page. If the student information is incorrect, the teacher should make the corrections on the form. If the teacher information is incorrect, do a "print screen," from Screen 16, Option 2A, and have the teacher make corrections to the dates. (see below) Return corrected forms and "print screens" to the coordinator/office staff for input on SIS. Print test runs form 7, Screen 20, Option 1, selection 3 to verify changes. Check warning messages. Correct the information on SIS and rerun the test runs.

Form 4E- Non-Register Carrying Personnel

In order for Form 4E to print, schools must enter an activity code on Screen 16, option 2A, for all non-register carrying certificated staff. (see page 2) Form 4E will not print if an activity code has not been entered on Screen 16, Option 2A.

DO NOT enter a line of information for itinerant certificated personnel (e.g. nurses, traveling music teachers, psychologists, counselors, etc.) They will report their assignments with their service units centrally.

PARENT EDUCATION SURVEY

As part of the California STAR Program, LAUSD is required to submit information on parent education level on the STAR answer document. Enter the information into SIS on Screen 3, field 45. Many schools include a parent education survey letter in the enrollment packet.

All schools should attempt to get responses from parents for Screen 3, field 45. The option to Decline to State should not be entered unless the parent declines to state. If this field is left blank, schools should attempt to get a response.

To print a roster of students grades K-5/6 with missing parent education levels, at the Main Menu type:**E**

:PON 16

:SORT XXXX WITH GRN GE "0" AND WITH NO 45 BY ROOM BY NAME BREAK-ON ROOM NAME PARENT-NAME 45 GRADE (N)

PARENT COUNCIL ROSTERS

You can generate roster for your parent council meetings using the following English sentences. At the Main Menu type:**E**

:PON16

For the EL Advisory Council Meeting

:SORT XXXX WITH 162 = "LEP" BY NAME NAME PARENT-NAME PHONE 162 GR ROOM HEADING "EL ADVISORY COUNCIL MEETING" (N)

For the Title I Advisory Council Meeting (Targeted)

:SORT XXXX WITH 116 = "Y" BY NAME NAME PARENT-NAME PHONE GR ROOM 116 HEADING "TITLE I ADVISORY COUNCIL MEETING" (N)

CELDT TESTING

Initial CELDT Testing

New enrollees in grades K-5/6 with a home language other than English need to be administered the CELDT within 30 days of enrollment. See the July newsletter for Initial CELDT testing information. To print a roster of students by grade level, with no downloaded CELDT results, at the Main Menu select Screen 30, Option 1, **GOT-CELDT**.

Annual CELDT Testing

All EL students need to be CELDT tested yearly. The CELDT coding roster (Screen 20, Option 22) lists test purpose (annual or Initial). The CELDT coding roster has been updated to match the answer documents. Another option is to print room rosters of EL students needing the annual CELDT.

At the Main Menu type:**E**

:PON

:SORT XXXX WITH 800 AND WITH 162 = "LEP" BY TRACK BY ROOM BY NAME BREAK-ON ROOM "P" NAME 162 CELDT-DATE CELDT-LEVEL TRACK (N)

:SORT XXXX WITH 800 AND WITH 162 = "LEP" AND WITH TRACK = "X" BY ROOM BY NAME BREAK-ON ROOM "P" NAME 162 CELDT-DATE CELDT-LEVEL TRACK (N)

CLASSIFICATION REPORTS BEFORE E-DATE

Schools often want to find out how many students they have assigned prior to the first day of school. If you try to print a classification report before the first day of school you will find your new enrollees and most of your Kinder students and Teacher will not appear. That is because classification reports only report students that have an E-date that has already past. To find out how many students are enrolled in a room, including future enrolled students at the Main Menu type:**E**

:SORT XXXX BY GRN BY ROOM BREAK-ON GRN BREAK-ON ROOM BL5 TOTAL CT (D)

REPORT CARDS

Due to budget cuts our office will **no longer** enter grades for any student for this (2010-2011) school year. We will enter grades for students for the 2009-2010 school year. Please make sure your teachers and administrators know that we will no longer support their request for grade entry.
