ROLLOVER- JUNE 24

All schools must complete the year end procedures by Friday, June 24, 2011. (See the April and May newsletters for detailed year-end tasks.)

ROLLOVER DOES NOT AFFECT SOAR. Teachers may continue to enter SOAR assessment data after rollover has been completed for their students, including matriculating students, but the window for all tracks close July 9, 2011. Teachers and Coaches will NOT be able to enter SOAR data during rollover weekend. After that, the 2010-2011 reports will be available up until July 30. On August 1, 2011 the SOAR system will be retired and will not longer be accessible.

DO NOT RETIRE early tracks, matriculating, Magnet, or PWT students, unless they L out **BEFORE** the end of their track and begin at another school during this school year. Students with a next school on Screen 13, field 192, will be automatically retired by SIS during the rollover process.

HAPPY NEW YEAR!

On Monday, June 27, your school's data will reflect the 2011-2012 school year! After logging in, the following message will appear "HAPPY NEW YEAR- YOUR SCHOOL HAS NOW BEEN ROLLED OVER." Students with information on Screen 13, field 192, Next School Location, will have been moved to the retired file.

ISSUE PARS

We are asking that you begin to issue PARs once again. As a courtesy, we ask schools that have students that are checking out to please L these students out promptly. If a parent requests a PAR please issue the PAR immediately. After a student has left your school, please **DO NOT** ask the parent to come back to pick up a PAR. The new school of record can request the previous school to FAX the PAR to the new school. If you are entering a L-date, L-code or next location code prior to rollover for the purposes of the PAR please remove these fields after issuing PAR. Failure to do so will result in the student not showing up in ISIS.

For the enrolling school, **DO NOT** send the parent back to the previous school to pick up a PAR. If the parent arrives at your school without a PAR please call the previous school and request the previous school to fax you a copy.
