RECLASSIFICATION

Reference Guide REF-1848.4, "Reclassification of English Learners, Elementary School", dated May 4, 2007, gives schools complete information for the reclassification of English learners in grades 1-5.

The math progress report mark is no longer a criteria for reclassification.

Students may reclassify with an ELD level of 3, 4, or 5.

Potential Reclassification Roster

To print a roster (by room) of students who MAY be eligible to reclassify, at the Main Menu, select Screen 14, option 25 - Potential Reclass Roster.

- Students on this roster have a 3, 4, or 5 current ELD level.
- Students in grades 3-5 all have a qualifying level of B, P, or A on the CST Language Arts Test.
- Students have qualifying annual CELDT scores for reclassification.
- Students' progress report marks for Reading, Writing, Listening, and Speaking are listed - (only marks of 3 or 4 will qualify to reclassify).

Generating the Letter

Grades 3-5/6

If the students meet the eligibility requirements, print the letters from Screen 14, option 26 - Reclassification Letter. At the prompt "Enter Student ID # or 'ALL'", type **ALL**.

Letters for all eligible students will print, and the student's language classification will be changed to RFEP. You may also enter each student's local 4-digit ID individually. (If a letter does not print for a student listed on the Potential Reclassification Roster, review the roster to be sure the Progress Report marks are all 3s and 4s.)

Grades 1-2

To print the letter for eligible 1st and 2nd grade students, enter each local 4-digit ID individually on Screen 14, option 26. (See page 2 of the Reference Guide for additional reclassification criteria for grades 1-2. Students must meet three consecutive scores of benchmark on English Language Arts periodic assessments (Open Court of Reading Mastery).

All students grades 1-5/6

Once the letter(s) print, the following data will have been automatically entered on Screen 5 in the following fields:

- Field 323 (Reclass to FEP Date) the current date has been entered
- Field 162 (Language Classification) has been changed from LEP to RFEP. RFEP is now locked and cannot be changed back to LEP.
- Field 164 (PROG PLACEMENT) and Current ELD have been removed

The school needs to enter dates on Screen 5 in the following fields:

- Field 314 (Tchr Recommend Date)
- Field 322 (Parent Inform Date)

Printing the Label

Print the CELDT Reclassification label from Screen 15, option 14.

Alternate Reclassification Process

English learners in a Special Day Program may be reclassified using an Alternate Reclassification Process which then must be approved by the Regional Special Education Support Unit Administrator. If approved, the Support Administrator will return the Alternate Reclassification tracking form to the school. Mail or fax the form to Eva Garcia, School Information Branch, Beaudry Building, 21st Floor; the fax is (213) 241-8969. The student will be changed to RFEP on SIS.
